Scope and Subjects of the Congress

Dear scientists, researchers, graduate students,

The positive effects of interdisciplinary academic studies on each other make it necessary to work together. Multidisciplinary studies do not only facilitate the work by dividing the work into parts, but also emerge as a factor that triggers innovation and merit. We invite you to join our congress with your scientific studies that integrate different fields.

Fields of study / scope of the congress

Social, Humanities and Administrative Sciences

Educational Sciences

Sciences

Health Sciences

Engineering Sciences

Architecture, Planning and Design
